Are you running your business or is it running you?

Covid is proving to be a tough opponent! And with many of the most successful entrepreneurs and business leaders working longer hours for less return on their investment of time and money, this is no time for complacency. As a business leader, do these challenges ring true?

- Lack of control over time, markets or your company
- People who don't listen, understand or follow through
- Profit that's inconsistent and/or there's not enough
- Growth happens, but you can't break through to the next level
- Quick fixes that come and go, bringing little change with continued frustrations

Don't let the business run you!

Get a grip on your business

The Liberti Group invites you to join Julia Langkraehr's powerful, inspirational presentation that will introduce you to the Six Key Components™ of a successful business. Julia's interactive style and experience-based real world insight makes this an eye-opening event for growth-oriented business leaders.

At the conclusion of this workshop, you will walk away with a set of simple practical tools that you and your leadership team can use immediately to focus on priorities, get clear on issues and gain traction together as a healthier, functional and cohesive team.
