

PRIVATE EQUITY SERIES SESSION II

INTEGRATION & COLLABORATION

We're delighted to welcome back Adam Shapiro, Yahoo Finance anchor as our host, and Steve Weinberger, former CFO at Ranir LLC as our special guest. Steve brings decades of experience in strategic financial planning. Adam brings his extensive experience and know-how in the private equity space to ensure an informative and highly valuable session.

They will lead an interactive discussion with our expert sponsors in Technology, Finance, Legal, PE and Wealth Management. You will meet a community of other like-minded mid-market C-suite leaders, network confidentially and get your questions answered!

Who should attend?

These series of events are exclusively for mid-market business leaders – CEOs, Presidents and Business Owners.

Adam Shapiro hosts Yahoo Finance Live alongside Seana Smith. He is an Emmy Award winning anchor and correspondent with almost 30 years of experience in major

market and network television. Adam covered the White House, Capitol Hill and Federal Reserve while a correspondent with the FOX Business Network. He has covered the "great financial crisis" of 2007-2008, Bernie Madoff scandal and 2016 presidential election. He has launched the TALKENOMICS webpage and led the network's coverage on the public pension and retirement crisis confronting millions of American senior citizens.

Steve Weinberger has 35+ years of experience almost exclusively in the Consumer Packaged Goods Industry with both Public and PE backed companies. Most recently, Steve

was the CFO of Ranir LLC, a PE owned global leader of Store Brand Oral Care products where he led the successful sale of the company to Perrigo Inc. His experience also includes 20 years at Nabisco Canada and Inventure Foods, a public "better for you" food company. His experience has covered all areas of Corporate Finance including M&A, Strategic Planning, Treasury Management, Profitability analysis and more.
